COLLEGE SCHOLARSHIP APPLICATION INFORMATION

2017-2018 School Year

I. PURPOSE:

THE ROTARY CLUB OF POHNPEI is pleased to announce an Annual Scholarship program supported by VITAL-FSM PETROLEUM CORPORATION (VITAL). The scholarship will be administered through the Rotary Club of Pohnpei, Inc. This Scholarship will support FSM citizens who pursue a post-high school education in the priority fields of **Engineering, Chemistry, Agriculture and certain business fields consistent with VITAL's business interests and needs. Other areas of study may be considered, but Engineering and the sciences will be considered first under this scholarship. Any FSM citizen who is a high school senior, or a currently enrolled college student, or high school graduate (or GED) and is accepted to attend an accredited institution of higher education during the upcoming academic year will be considered and is strongly encouraged to apply.**

II. SCHOLARSHIPS, AMOUNT & LIMITATIONS ON AWARDS:

Scholarships up to an amount of \$5,000 each will be awarded.

Each scholarship awarded is limited up to \$2,500.00 per semester. Funds will be distributed on a per semester basis, in the name of the student and the school, and may be used only for valid school-related expenses. Before any scholarship funds will be released for payment of second semester school-related expenses, each scholarship recipient must submit valid proof to the Rotary Club that the funds distributed for the first semester

were used to pay for first semester valid school-related expenses; plus, the recipient's grade report (transcript) for the first semester must be submitted to and received by the Rotary Club by February 28, 2018. Additionally, registration verification for the second semester must be submitted, *showing that you are continuing as a full time student.*

This program is in its initial year of development. It is the ultimate intent to have the scholarship apply for the remaining years of a student's program at college, **HOWEVER**, no guarantees can be made with this initial scholarship award, and continuing students will be required to apply for additional scholarships in future years.

Further, for those scholarship recipients who return to the FSM during summer school holidays, Vital will enable its scholarship recipients to seek paid internships with Vital in the FSM during summer vacations. Priority will also be given to scholarship recipients in hiring at Vital, after the completion of their education.

III. ELIGIBILITY:

Any FSM citizen is eligible to apply, provided he/she will be, at the time of award, a high school graduate (or GED recipient) enrolled and attending, or accepted to attend, an accredited institution of higher education during the 2017-2018 school year.

To maintain eligibility to receive scholarship funds for the entire academic year, a recipient must be a full-time student enrolled in the same degree program and must make academic progress toward his/her degree by successfully completing a full-time course load as verified by your university each semester that scholarship funds are received. If you drop classes or are

withdrawn by your instructor you may not meet this requirement. A minimum cumulative grade point average of 2.80 (on a 4.0 scale), or its equivalent, must be maintained to qualify for continued scholarship funds both semesters. Upon receipt, grade reports (transcripts) for each semester must be sent to:

**Rotary Club of Pohnpei, Inc. – Vital-Scholarship Committee
P.O. Box 1861 Kolonia, Pohnpei, FM 96941
Fax: (691) 320-5502 or rotarypohnpei@gmail.com**
