INVITATION TO BID – AUTOMATED NESTED MULTIPLEX PCR ANALYZER

Opening date: April 26, 2017

Closing date: May 17, 2017

The FSM Department of Health and Social Affairs is seeking bids to supply, install and provide training on the use of an automated nested multiplex PCR system.

Specifications

Applications: Automated sample preparation, amplification, detection and analysis of respiratory and gastrointestinal pathogens from clinical specimens

Throughput: 2 hours or less per sample

Reports: Auto-generated interpretive reports with each run.

Interface: At least uni-directional interface with LIS

Power: 110V, 60Hz

Support Requirements:

Installation

LIS interface

Provide training on operation and basic maintenance for minimum of 3 operators

Provide extended maintenance / biomedical support service for 2 years from date of installation

Supply back up power or voltage regulator

General Requirements and Procedure:

Vendors with authorized distributorship may submit itemized bid.

The FSM Department of Health and Social Affairs reserves the right to reject any and all proposals due to costs and appropriateness of services being proposed by any bidder.

Bid Content:

The proposal shall include all of the following:

1. Name and contact information of Company
2. Timeline of services that will be provided
3. Cost of services and schedule of payment, training, shipping and warranty

Bid Submission:

The bid can be sent via sealed envelope or email to Secretary Magdalena A. Walter at health@fsmhealth.fm with a copy to Epidemiology and Laboratory Capacity Coordinator, Lisa Barrow at lbarrow@fsmhealth.fm. Bids sent by email will not be opened until the date the review committee meets; a minimum of 30 days after bid closing date.

Magdalena A Walter

Secretary of Health and Social Affairs
